

AI Investment Summary – Terms & Conditions

Last updated: May 2026

1. Introduction

These Terms & Conditions govern the use of the AI Investment Summary application (“the App”). By accessing or using the App, you agree to comply with and be bound by these Terms & Conditions. If you do not agree with these terms, you should discontinue use of the App immediately.

2. Nature of the Service

AI Investment Summary is an AI-powered financial news and audio briefing platform designed to provide users with personalised summaries of market news, portfolio-related developments, and general financial information. The App is provided for informational and educational purposes only and should not be interpreted as professional financial, legal, investment, tax, or accounting advice.

3. No Financial Advice

Nothing contained within the App constitutes financial advice, investment recommendations, trading guidance, or solicitation to buy or sell any financial instrument. Users are solely responsible for their own investment decisions and should seek advice from a qualified financial adviser before making financial decisions.

4. AI-Generated Content

The App uses artificial intelligence models and third-party data sources to generate summaries, scripts, insights, and audio briefings. AI-generated content may contain inaccuracies, omissions, outdated information, or misinterpretations. While reasonable efforts are made to improve accuracy, no guarantees are provided regarding completeness, reliability, or correctness.

5. User Responsibility

Users acknowledge that they are responsible for independently verifying any information obtained through the App. You agree not to rely solely on the App when making investment, trading, or financial decisions.

6. Market Data and Third-Party Sources

The App may rely on third-party APIs, financial data providers, news sources, and market feeds. Availability, timeliness, and accuracy of such data may vary. AI Investment Summary is not responsible for errors, interruptions, delays, or inaccuracies originating from third-party providers.

7. Availability of the Service

We do not guarantee uninterrupted availability of the App. Features, APIs, audio generation systems, and integrations may become temporarily unavailable due to maintenance, outages, technical failures, or external service disruptions.

8. User Accounts and Security

If account functionality is introduced, users will be responsible for maintaining the confidentiality of login credentials and securing access to their accounts. Users agree to notify the platform promptly of any unauthorised use or security breach.

9. Intellectual Property

All branding, logos, interface designs, layouts, software code, audio formats, and generated content associated with AI Investment Summary remain the intellectual property of the platform owners unless otherwise stated.

10. Acceptable Use

Users agree not to misuse the App, interfere with platform operations, attempt unauthorised access, scrape data, distribute malicious software, or use the platform for unlawful purposes.

11. Limitation of Liability

To the maximum extent permitted by law, AI Investment Summary and its operators shall not be liable for any direct, indirect, incidental, consequential, or financial losses arising from use of the App, including trading losses, missed opportunities, inaccurate information, or service interruptions.

12. Privacy and Data

The App may temporarily process portfolio tickers, preferences, audio settings, and interaction data in order to generate personalised briefings. We aim to handle user data responsibly; however, users should avoid submitting sensitive or confidential information unnecessarily.

13. External Links

The App may include hyperlinks to external websites, articles, financial news providers, or third-party content. We are not responsible for the content, security, or practices of external websites.

14. Beta / MVP Status

Users acknowledge that the App may operate as a beta product, prototype, or minimum viable product (MVP). Certain features may be incomplete, experimental, or subject to change without notice.

15. Modifications to the Terms

We reserve the right to modify these Terms & Conditions at any time. Updated versions may be published within the App or linked documents. Continued use of the App after changes constitutes acceptance of the revised terms.

16. Termination

We reserve the right to suspend or terminate access to the App at our discretion, including where users violate these Terms & Conditions or engage in misuse of the platform.

17. Governing Law

These Terms & Conditions shall be governed in accordance with the laws of Scotland and the wider United Kingdom, unless otherwise required by applicable law.

18. Contact

For questions relating to these Terms & Conditions, users may contact the platform administrators through the official channels provided within the App or associated website.

By continuing to use AI Investment Summary, you acknowledge that you have read, understood, and agreed to these Terms & Conditions.
